About us

First Ship Lease Trust (“FSL Trust” or “the Trust”) is a shipowner and a provider of leasing services to the international shipping industry.

FSL Trust owns a diversified portfolio of 19 well-maintained vessels comprising containerships and a variety of tankers:

- 12 vessels are leased to international shipping companies on long-term bareboat charter basis
- 7 vessels are employed on short-term time charters or in pools or spot markets

Around 60% of the Trust’s revenue is derived from the rentals received from fixed-rate bareboat charters providing the Trust with stable and predictable long-term income. The vessels employed on shorter-term charters or in pools provide the Trust with the flexibility and opportunity to capture any market upside.

FSL Trust has maintained a strong vessel portfolio and made progress in its debt repayment efforts since 2013:

- Positive cash flow generation with a fully deployed fleet
- Strengthened balance sheet with over US\$71 million of debt repaid during the course of FY2017
- Further reduction of debt in FY2018 by US\$25.1 million

FSL Trust is listed on the main board of the Singapore Exchange.
